You may remember him being beaten and then dragged away, but things aren't always what they seem to be... Welcome back to the grim dystopian future of Beholder where ordinary people struggle to survive while subjected to the directives of an iron-fisted Government! The time has come to tell the stories of:— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and less the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and less the one who has fallen a victim to a horrifying mistake, and everything but lost it all; and— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;— the one who has fallen a victim to a horrifying mistake
